HSLDA Group Services Information

The Home School Legal Defence Association of Canada values the service you provide to homeschooling families in your community. Our Group Services Program was established to encourage and promote those that support homeschoolers and there is no cost to register your group.

The benefits to registering as an **HSLDA Discount Group** include:

- **Discounts** for all of your members on HSLDA memberships;
- Access to information on competitively priced **group insurance** (may not be available in Quebec);
- **Bulk discounts** on student/teacher ID card purchases;
- **Legal assistance** for written policies and internal group matters;
- **Customized webinars** tailored to the needs of your homeschool community;
- Access to our **Group Leader Site**, and monthly **Group Leader emails**.

If every family in your Homeschool Group are also HSLDA Members, you could receive additional benefits as a **Discount PLUS Group:**

- **Free insurance** for most activities that do not include sports, phys-ed, or field trips (may not be available in Quebec). If your co-op includes phys-ed, the free insurance would NOT apply. Insurance for sports/field trips can be purchased through one of the suggested insurance providers.
- A **rebate** to your group of $10 for every HSLDA member family, annually, to spend on your priorities (example: to offset insurance costs).
    - *Note: Only paid HSLDA memberships are eligible for rebates.*
- At least **one free HSLDA membership** annually, to distribute as you see best.
- 50% off Student and Teacher photo ID cards.

To register with us as an HSLDA Discount Group, the following terms & conditions apply:

1. You must meet the definition of "homeschool group," as follows:
   A group, co-op, program, or other organization which exists expressly to provide "in-person" support, activities, information, and/or encouragement specifically for homeschooling families.
2. You will need a unique email address for your group. It must not be the same as any current HSLDA member account email and should be **an email that can be easily transferred to another group leader**. All communication will be done through your group email.
3. The onus to apply for the HSLDA discount (where applicable) is on the individual member family, and they must indicate on their membership or renewal that they are members of your group. HSLDA does not retroactively adjust membership fees for members who fail to declare membership in your group.
4. Your group agrees to promote HSLDA's discount program through the regular means of communication to its membership.

To register, fill out the attached form and email it to cathy@hslda.ca **or mail to**:
